PETER MINOGUE

TOURNAMENT

Thank you for being a valued sponsor of the *Peter Minogue Rocks and Hearts* Tournament.

Your generous investment in this inaugural tournament helped raise more than \$30,000 for Canadore Foundation, North Bay Military Family Resource Centre, and North Bay Regional Health Centre Foundation. Thank you!

The *Peter Minogue Rocks and Hearts Tournament* was a huge success for our community and featured 32 curling teams, including Canadian Olympic champion skip, Brad Jacobs and Canadian Olympic curler, Brent Laing.

We were inspired to see many community leaders and businesses take to the ice – some for the very first time. Everyone involved had a weekend full of laughs and enjoyment. Thank you for making these moments possible.

The synergy we witnessed firsthand working alongside the three local organizations was motivating and the reason why we are looking forward to our upcoming tournament on January 17-19, 2020 at the Granite Club.

Thank you for your commitment to our community.
